Deposit Fee means the fee paid by the Customer to Steel Mains prior to the Hire Commencement Date, refundable to the Customer in the event that the Equipment is returned to Steel Mains in a satisfactory condition on or before the Hire Completion Date, but which is otherwise non-refundable in whole or in part.

Delivery Fee means the fees charged by Steel Mains to the Customer for delivering the Equipment to the Customer. The Customer will organise to return the Equipment to the Steel Mains Brisbane office via their own courier company at the completion of the Hire Period.

Customer means the company identified on page 2 of this agreement.

Hire Commencement Date means either,

- (a) The time of collection of the Equipment from Steel Mains by a courier, or
- (b) The time of collection of the Equipment from Steel Mains by the Customer.

Hire Fee means the amount payable by the Customer to Steel Mains in respect of the hire of the Equipment for the Hire Period which does not include any Delivery Fee.

Hire Period means the period from the Hire Commencement Date to the later of the Hire Completion Date and the Return of the Equipment, being in any event not less than 7 days.

Return or Returned means either

- (a) the time of the return of the Equipment to Steel Mains, whether by the Customer or Steel Mains, or
- (b) if the Equipment is lost, stolen or damaged, the time at which the Equipment is repaired or replaced as the case may be.

Hire Completion Date means the earlier of the:

- (a) hire completion date set out on the front page of this agreement; or
- (b) Return of the Equipment to Steel Mains.

2. Hire of the Equipment and Fees Payable

- 2.1. In return for the payment of the Hire Fee, Deposit Fee and Delivery Fee, Steel Mains agrees to hire the Equipment to the Customer for the Hire Period.
- 2.2. The Hire Fee, any Delivery Fee and the Deposit Fee must be:
 - 2.2.1. Paid in full prior to dispatch of the Equipment where the Customer does not hold a trading account with Steel Mains; or
 - 2.2.2. Invoiced by Steel Mains prior to dispatch of the Equipment where the Customer holds a trading account with Steel Mains, in which case payment must be made in accordance with the payment terms applicable to that trading account.
- 2.3. Where additional Hire Fees are incurred pursuant to clause 2.5, Steel Mains may invoice those additional Hire Fees in advance and the Customer must pay them before the commencement of the applicable extended Hire Period, unless the Customer holds a trading account with Steel Mains, in which case payment must be made in accordance with the payment terms applicable to that trading account.

- 2.4. The Customer agrees to return the Equipment within 7 days of the Hire Completion Date, or notify Steel Mains in writing that they require an extension to the Hire Period.
- 2.5. Subject to clause 5.4, the Customer agrees to pay an additional Hire Fee if the Equipment is not returned within 7 days of the Hire Completion Date unless the Customer has notified Steel Mains in writing and Steel Mains has accepted the delay.

3. Conditions of Hire

The Customer must:

- 3.1. Make and rely upon its own enquiries as to the suitability of the Equipment for the Customer's intended purpose.
- 3.2. Use the Equipment only for the purpose and in the manner for which it was designed.
- 3.3. At its own cost, keep the Equipment in good order and repair at all times which includes but is not limited to servicing, cleaning and lubrication of the Equipment.
- 3.4. Allow only suitably qualified and trained personnel to operate the Equipment.
- 3.5. Immediately notify Steel Mains of any breakdown, loss or damage to the Equipment.
- 3.6. Not take the Equipment out of the state from which it was hired without the prior written consent of Steel Mains.
- 3.7. Not part with possession or control of, sell, sub-hire, encumber or otherwise deal with the Equipment in any way.
- 3.8. Not make any modification or alteration to the Equipment without the prior written consent of Steel Mains.
- 3.9. Return the Equipment to Steel Mains in the condition that it was hired.
- 3.10. Return the Equipment to the Steel Mains Brisbane office at the end of the Hire Period.

4. Breakdown, Damage or Loss of the Equipment During the Hire Period

- 4.1. In the event that the Equipment breaks down, becomes damaged, lost or stolen during the Hire Period, Steel Mains may, in its reasonable discretion, determine whether the break down, damage or loss was a result of any act, omission or negligence on the part of the Customer, or was attributable to some other cause.
- 4.2. If Steel Mains reasonably determines that the breakdown, damage or loss was not a result of any act, omission or negligence on the part of the Customer then it may, at its discretion, waive the unexpired portion of the Hire Fee.
- 4.3. Subject to clause 5.3, if Steel Mains reasonably determines that the breakdown, damage or loss was a result of any act, omission or negligence on the part of the Customer, then the Customer agrees to pay to Steel Mains the replacement cost of the Equipment. The replacement cost of the Equipment is to be reasonably determined by Steel Mains.

5. Liability of Customer

- 5.1. The Customer will hire and use the Equipment at its own risk, and releases Steel Mains, its employees, agents, and contractors to the fullest extent permitted by the law, from all claims and demands of every kind resulting from any accident, damage, injury or death arising as a result of the hire or use of the Equipment.
- 5.2. The Customer will indemnify and keep indemnified Steel Mains from and against all actions, claims, demands, losses, damages, loss of Hire Fees, costs and expenses for which Steel Mains may become liable, or which Steel Mains may suffer as a result of the Customer's hire or use of the Equipment.
- 5.3. Without in any way limiting or affecting the rights of Steel Mains pursuant to this agreement, or under statute, at common-law or in equity, if the Equipment is damaged during the Hire Period then Steel Mains may, at its reasonable discretion, repair the Equipment or deem it to be written-off, in either case the Customer must pay to Steel Mains, as the case may be, the cost of repairs to or of replacing the Equipment within 7 days of Steel Mains submitting an invoice to the Customer for such repair or replacement costs.
- 5.4. Without in any way limiting or affecting any other rights that Steel Mains may have either pursuant to this agreement or under common law, statute or equity, if the Customer does not Return the Equipment to Steel Mains by the Hire Completion Date other than by reason of default by Steel Mains then:
 - 5.4.1. The Customer must pay to Steel Mains the pro-rata daily rate for each period of 24 hours or any part thereof from the Hire Completion Date until the Equipment is returned to Steel Mains; and
 - 5.4.2. If the Equipment is not returned to Steel Mains within 14 days of the Hire Completion Date (or such later date as may be agreed in writing) then, in addition to the amount payable under clause 5.4.1, the Customer will pay to Steel Mains the replacement cost of the Equipment. The replacement cost of the Equipment is to be reasonably determined by Steel Mains.
- 5.5. The Customer acknowledges that the amounts payable under clause 5 are a genuine pre-estimate of the loss that would be suffered by Steel Mains if the Equipment is not returned in the same condition as it was at the Hire Commencement, fair wear and tear excepted, by the Hire Completion Date.

6. Liability of Steel Mains
